Dear Regional District of Fraser – Fort George Board

The Hixon Community Association is requesting a letter of support from the Board for a Northern Development Initiative Trust (NDI) Fabulous Festivals and Events Grant . The grant application is for up to \$2500.00 to be used in hosting our 44th Annual Fall Fair August 9, 2025.

The Hixon Fall Fair is a very much locally anticipated and well attended annual event in the community and your support would be greatly appreciated.

Thank you for your consideration of this request.
