PAC supports the students and teachers at the school by providing funding for student incentives, organizing hot lunch, and supporting school events. We act as a voice between all parents and guardians and the school to collaborate and keep communication lines open. We provide funding through continuous and various fund raisers throughout the year.	

Project Information:

<small>(If more space is required please attach information and support documentation to form for submission)</small>	
PAC is requesting this grant to support with our swimming program. Students in grade 4-7 have all been offered the chance to sign up for swimming lessons in town. As a rural school, many of our students miss these opportunities due to transportation difficulties and PAC places a high importance on supporting our students to be involved in these programs. The transportation cost for our school makes it difficult to offer programs in town and this grant will be used towards bussing costs.	

Other Revenue Towards Project/Purchase:

What other revenue/in-kind works is available to be put towards this project/purchase?
Parents will be asked to help cover some of the expense.

Dear Regional District of Fraser-Fort George,

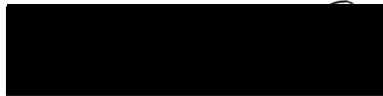

Buckhorn Parent Advisory Council is requesting \$3000.00 to cover the cost of bussing for swimming lessons for our intermediate students.

We are hoping to provide this opportunity for our students to take part in swimming lessons this spring.. Since we are a rural school, bussing can be expensive for our students to get to town. Also, because of the distance, many students in our catchment are not afforded the chance to participate in sports and events outside of school, and as such do not build the skills and confidence needed to pursue these activities in high school or post graduation. PAC feels strongly about supporting our students in having these opportunities to gain new skills and experiences.

With this grant we will be able to subsidize the cost of student swimming lessons for our families, making it more affordable for everyone.

Thank you for considering our application.
