Re: Land Act – Transfer of Administration and Control to Simpcw First Nation

Further to our letter dated October 18, 2018 and your support letter of April 21, 2022, I am writing to notify you that MOTT, in collaboration with the Ministry of Water, Land and Resource Stewardship (WLRS), is proceeding with the Land Act - Transfer of Administration and Control and the associated administrative decisions regarding the subject lands described as:

- Site 1 (7.69 hectares) – Lot 1, District Lot 480, Plan EPP89342 (108794 CLSR)

We are sending you this update letter to keep you informed on the process as it moved forward. On completion of the Land Act – Transfer of Administration and Control to Canada, the land will be added to reserve for use and benefit by the Simpcw First Nation.

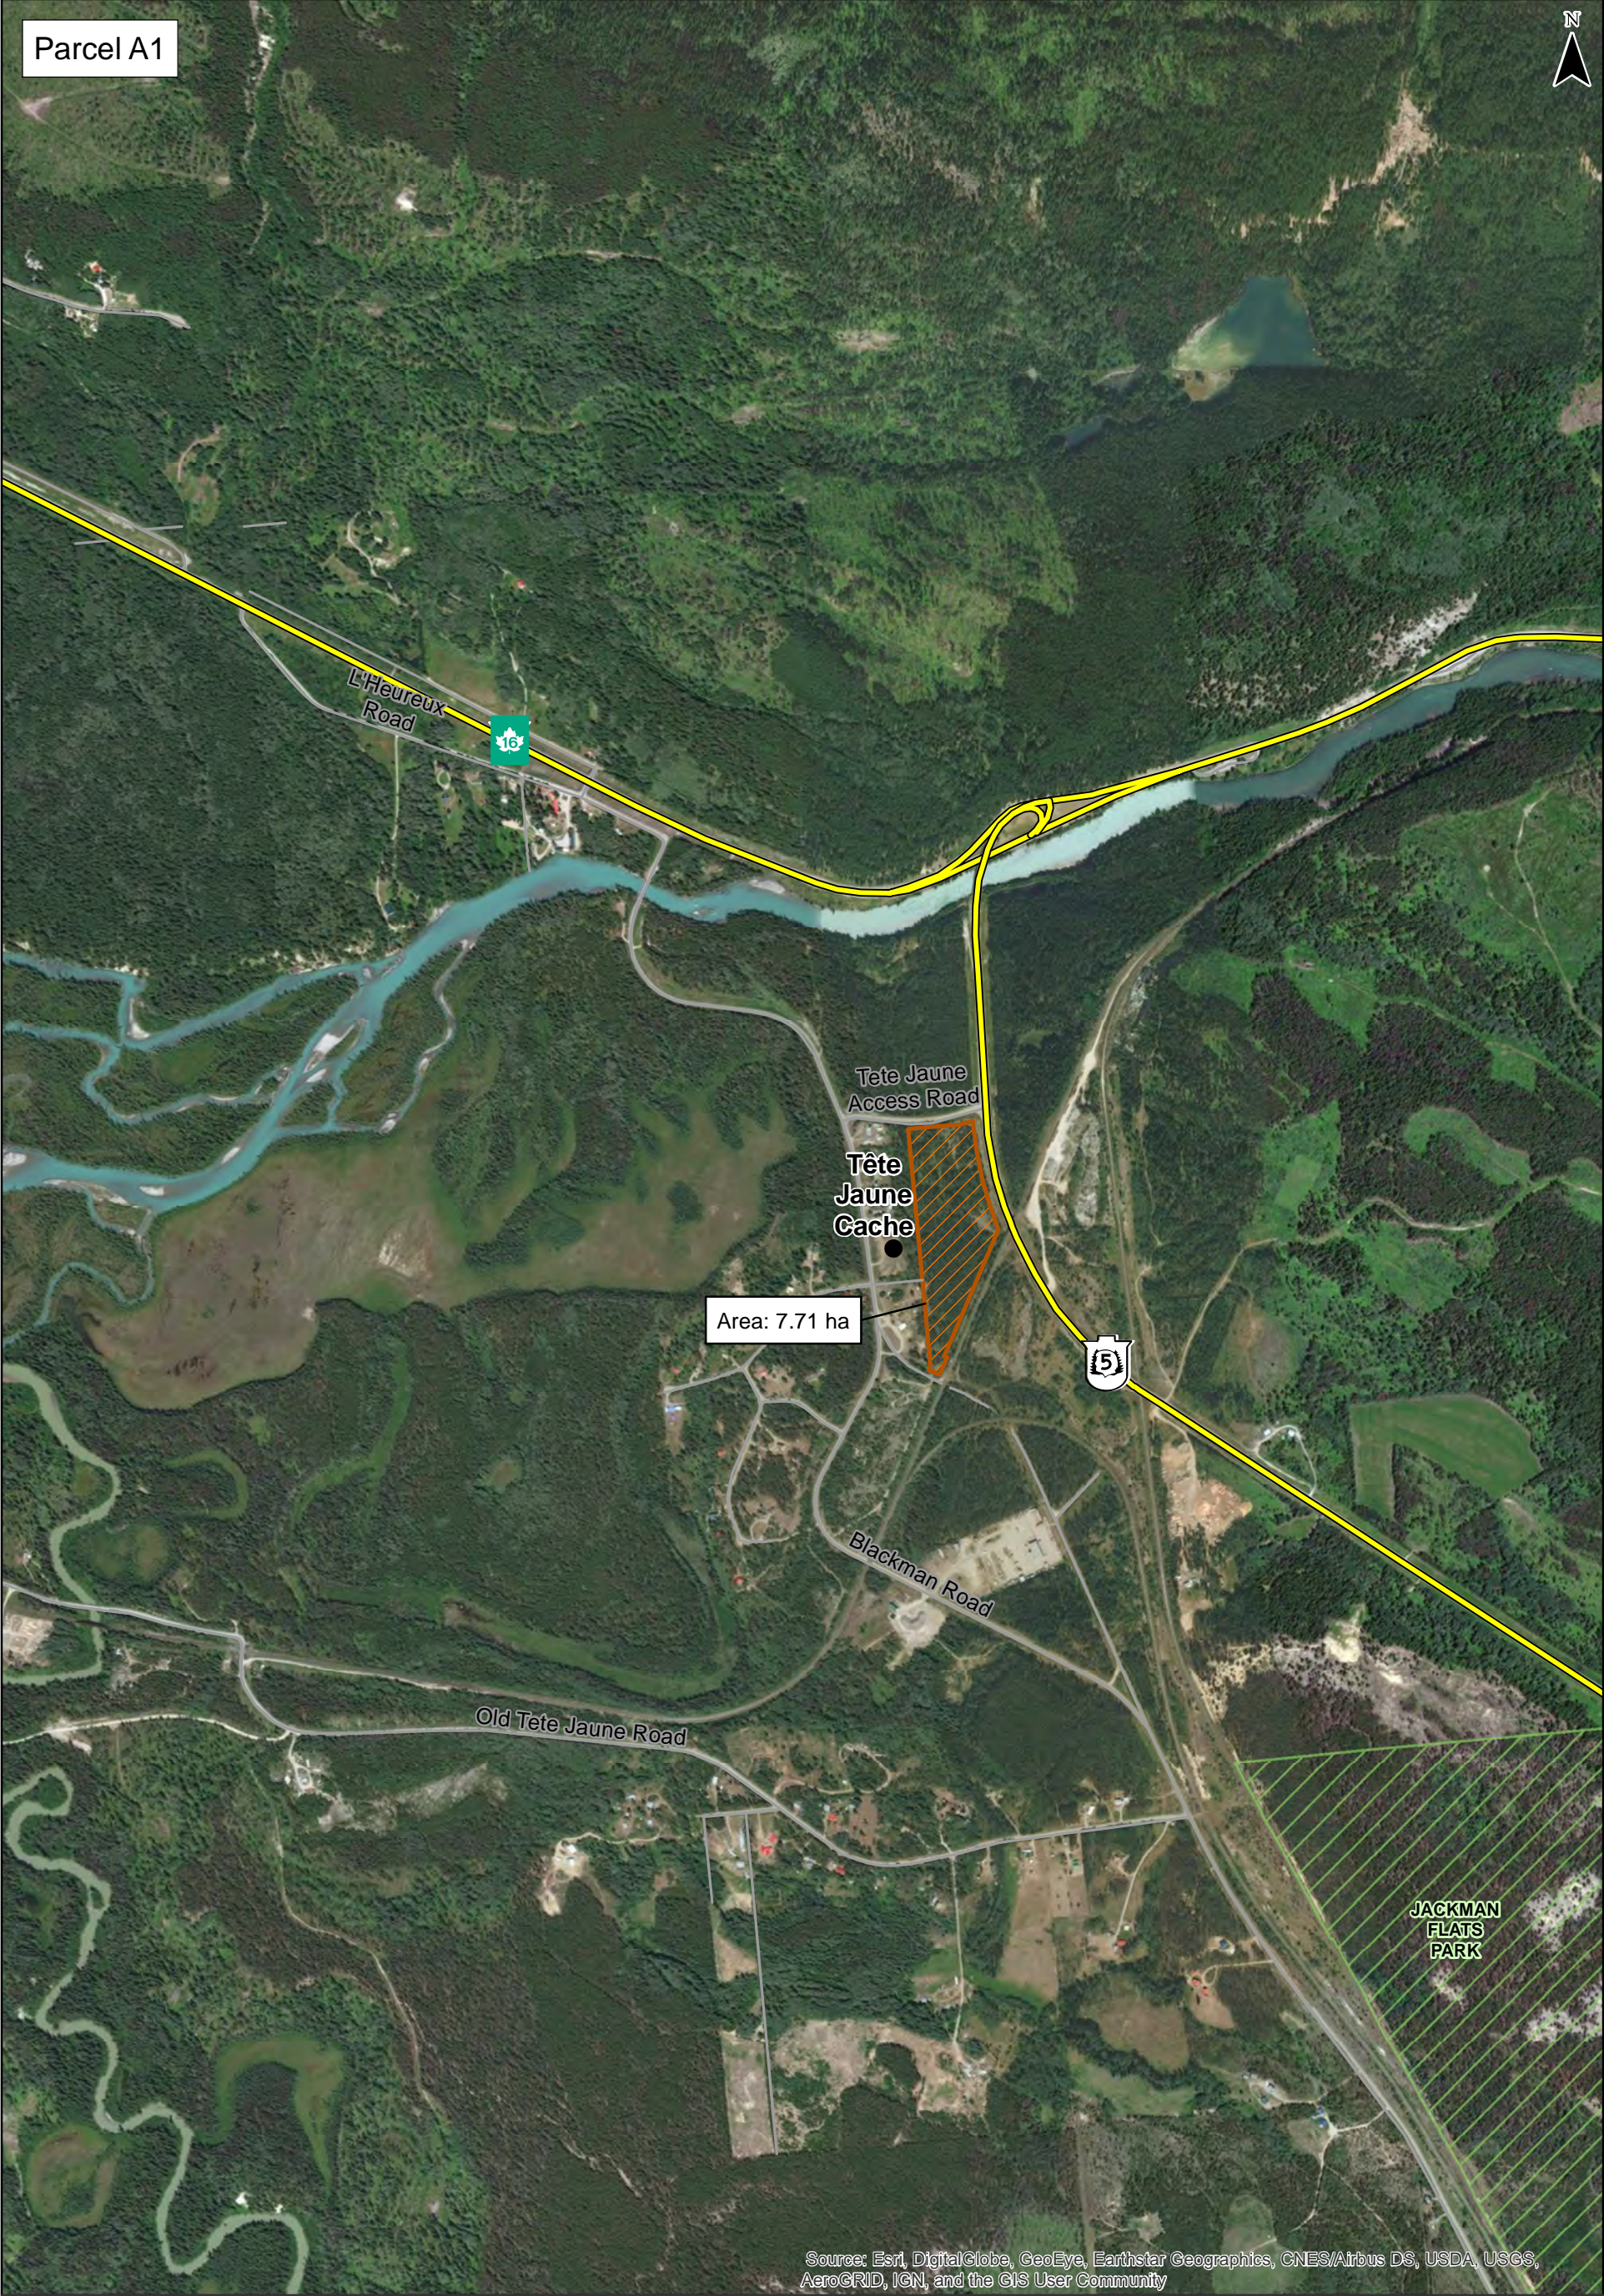

If you have any updated information that may inform how these decisions may impact your interests, please contact me by April 4, 2025 to enable the Province to consider such information in relation to its decision making.

If you have any questions please contact me at 236-766-7194 or Erik.Lachmuth@gov.bc.ca.

Yours truly,

Erik Lachmuth
A/Executive Director, Indigenous Relations

File No. BOA 1.8

Chief Shelly Loring
Simpchw First Nation
PO Box 220
Barriere, BC V0E 1E0

Dear Chief Loring:

This letter serves to confirm that on December 16, 2021, the Regional District of Fraser-Fort George Board of Directors voted in favor of supporting the request by Simpcw First Nation for a proposed reserve creation on a 7.67 ha area of land within the Tete Jaune Cache area.

The Regional District welcomes the opportunity to continue to meet with Simpcw First Nation as plans for the area are developed and opportunities to work together and collaborate are identified. As a reminder, the Regional District currently does not provide the following services in that area:

- Fire protection
- Sewerage system or potable water system service
- Refuse disposal site

We would be pleased to meet and discuss long term emergency preparedness plans for the area.

We wish you continued success in your request for a Reserve Creation.

Sincerely,

Art Kaehn, Chair
