Dear Lara Beckett and the Board of Directors RDFFG

Re: Letter of Support for BC Housing Funding Application

The McBride and District Housing Society (MDHS) is applying for funding from BC Housing to build an affordable housing complex in McBride. Your organization provides valuable services to the McBride area and a letter of support from your organization has the potential to assist us with being successful

Based on the results of the housing survey in 2019 and 2024, MDHS is planning on building a housing complex for seniors and families with 32 units; 10 one bedroom, 8 two bedroom and 14 three bedroom units at 210 Horseshoe Lake Rd. Thirty percent of the units will be market rentals and the remainder will be rent subsidized by BC Housing. McBride and District Housing Society is in the early stages of development and further community consultation will direct the final development.

If you feel that this project will benefit your organization and its members, and/or the district of McBride as a whole, we would very much appreciate a letter of support from your organization. Could you please submit your letter to me by March 31 2025

We have attached a sample letter if you wish to use it as a guideline.

Thank you very much in advance for taking the time to assist us in our endeavor

Yours truly

Jackie Edwards

Chair, McBride and District Housing Society
