networking opportunities to emergency personnel (ESS responders) in BC. The NESST Conference
is an annual event, in its 12th year, and will be held in Prince George at the Coast Prince George Hotel
from April 25th-27th 2025. The NESST Conference provides valuable formalized training, keynotes, workshops,

by developing their skills to provide initial emergency supports for evacuees in a respectful, supportive, and collaborative way.

The NESST Conference provides support to ESS volunteers directly in the Regional District of Fraser Fort George (RDFFG) and
it's member municipalities of Prince George, Mackenzie, McBride, and Valemount, as well as volunteers throughout the Province.
This will enable the volunteers and other emergency personnel, within the RDFFG, to provide compassionate, respectful, support to
residents being evacuated from their community. The NESST conference supports Regional and Provincial collaborations
and ensures consistency or training and process, which support RDFFG volunteers when assisting other communities
during an evacuation. This ensures support for RDFFG residents if ever a need to evacuate to another
community within the Region or province.

Re: Donation Request

As we see an increase in climate emergencies and disasters in our province, the need for Emergency Support Services teams to collaborate, coordinate, and learn from each other in British Columbia is now more important than ever.

The Network of Emergency Support Services Teams (NESST) organizes an annual conference for volunteers, municipalities, partner agencies, and government representatives to meet to provide expanded training and education opportunities to better serve evacuees across our province.

The cost of organizing this event for 250 or more people can exceed \$100,000 and therefore we are seeking support to make this year's conference a success. This April 25th - 27th, Prince George BC, will host the conference and we are asking you to consider donating to this event.

Our Emergency Support Services volunteers benefit greatly from the training and experience offered through the NESST conference. Building those important connections and gaining fruitful knowledge that allows us to grow and progress as a team. NESST gives our volunteers an important opportunity to build team networks and receive training, otherwise not offered regionally.

We know you understand the importance of a strong community response when disasters strike and how Emergency Support Services volunteers play an integral role in hosting and assisting evacuees from surrounding areas. Any donations to make this a success for all participants would be greatly appreciated.

Please don't hesitate to get in touch if we can provide you further information.

Thank you,

Ashley Hare

## **2024 Network of Emergency Support Services Society President's Message**

It is with great excitement and joy that I can stand here today as the President of the Network of Emergency Support Services Society. We had a humble beginning in 2013 in a small community centre outside the Village of Burns Lake with 50 volunteers. Today I am honoured to be serving the over 200 volunteers that have joined us this weekend from all corners of the Province.

The Network of Emergency Support Services Society is made up of volunteers from all over the province, they are located in the City of Prince George, Village of Burns Lake, City of Quesnel, City of Terrace, City of Salmon Arm, District of 100 Mile House, Village of McBride, City of Kamloops, City of Chilliwack, City of Mission, and the City of Vancouver, who are all committed to bringing you the best pre-conference and conference experience we can.

We are very grateful to our sponsors, The Province of BC, Enbridge, Strategic Alliance for Emergency Resilience, The City of Kamloops, Coastal Gas Link, the Thompson Nicola Regional District, Health Emergency Management BC, McElhanney, the BC Association of Emergency Management, the Justice Institute of BC, the Aberdeen Mall in Kamloops, and the Coast Hotel & Conference Centre. The support we receive from these sponsors is what helps us keep the cost to a minimum for you, our volunteers.

You are 'At the Heart of the Response', without your commitment we are not able to effectively help people evacuated. Your support to your community is what motivates the NESST Society to keep this conference going. Our goal as a society and for the conference is bringing workshops and other opportunities to support you before, during and after a response.

The Society and Organizing Committee are already working to plan NESST 2025 that will be hosted in the City of Prince George.

There are 5 Director's positions up for election this year, 4 of the current Directors are allowing their name to stand for re-election, Ryan Good, Disaster Psychosocial Services through HEMBC, Marion Cousineau, McBride ESS, Kyle McGhee, City of Prince George ESSD, and Anita deDreu Regional District of Fraser Fort George EPC, without their dedication to NESST we would not be here today. I encourage you to consider joining our team.

I would like to extend a great big thank you to Lisbeth Liebgott who has served as a Director for two years, Lisbeth has been a champion of the NESST program and a major contributor on the Sponsorship Committee, thank you for everything you have accomplished.

From my heart to yours ❤️
