The Lheidli T'enneh First Nation, the City of Prince George and the Regional District of Fraser-Fort George are applying to the Union of BC Municipalities (UBCM) Community to Community Program in the September 2025 grant intake to help fund two forums for our elected officials and senior staff members during the late 2025 to 2026 period. These forums are a continuation of our Community to Community events that started in 2023 and have been supported by UBCM grant funding.

The City of Prince George is spearheading this grant application and the Board is asked to provide a letter of support for the application that reflects the Regional District's commitment to further developing and strengthening our relationship with the Lheidli T'enneh First Nation.

Respectfully submitted,

Lara Beckett
Chairperson
