Project Information:

What would this grant be used for?
(If more space is required please attach information and support documentation to form for submission)

To help seniors stay in place and receive meals three times per week, we only charge a nominal fee of \$9.00 per meal. The cost of preparing the meal is \$18.00 per meal. To keep the charge at a low cost to the client, the program relies on donations to subsidize the cost to prepare the meal. Food costs have risen substantial over the past few years and we would like to keep the cost to the client low as many are on a fixed limited income. The grant will be used to purchase vegetables, meat, fruit and other ingredients required to make the meals.

Other Revenue Towards Project/Purchase:

What other revenue/in-kind works is available to be put towards this project/purchase?

In Kind - Use of commercial kitchen - \$6,240; In Kind - volunteer drivers to deliver the meals \$7,800
Yearly donation from the Valemount Community Forest Corporation - \$3,000
Fundraising Events - \$2,000
