Regional District of
Fraser-Fort George
155 George Street
Prince George, BC V2L 1P8

Attention: Lara Beckett, Electoral Area 'C' Director

Dear Director Beckett:

RE: FireSmart Community Funding and Supports Program - Miworth

The Miworth Emergency Planning Committee has noted the press release issued January 29, 2026 by the Province of BC for the FireSmart Community Funding and Supports Program.

The community of Miworth is hopeful that the Regional District now has the ability to apply on behalf of our community under the FireSmart Community Funding and Supports Program for a local rebate program for Miworth residential property or homeowners that complete eligible FireSmart Assessments and activities.

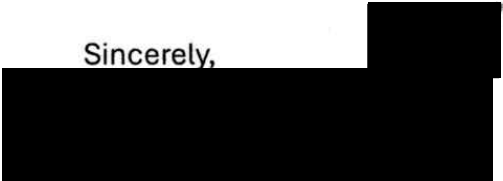

Given the unique challenges of Miworth such as one road for commuting to/from Miworth, increased train traffic, a well attended Regional Park nestled in the community and being a community that is in the forest, mitigating wildfire risk is top of mind for many residents and the community as a whole. The Miworth Emergency Planning Committee has done much work on education and awareness in the community for FireSmarting; however, it is a daunting task for many due to physical ability as well as financially.

The Committee will once again be holding a community event on May 2 as part of the Canada Wide Wildfire Preparedness Day with FireSmartng top of the list.

The community of Miworth appreciates any efforts the Regional District could make in applying for funding under this Program. It would be welcome assistance in mitigating wildfire risk in the community. The Emergency Planning Committee would be happy to meet to discuss this initiative further.

We look forward to hearing from you.

Sincerely,

Norm Scheider
MCA President

Karla Jensen
Chair, Miworth Emergency Planning Committee
