Applicant Profile:	
Overview of Organization's Programs and Services. <small>Comment must be between 1 and 450 characters</small>	
- to develop and provide ecosystem restoration projects, which preserve, protect and restore the natural resources and environment of the upper Fraser Basin,	
- to encourage low impact recreational use of the natural environment through the planning, construction, restoration and/or maintenance of foot trails in the upper Fraser Basin	
Project Information:	
What would this grant be used for? <small>Comment must be between 1 and 550 characters</small>	
(If more space is required please attach information and support documentation to form for submission)	
The grant will help to cover the costs of a helicopter fly-in camp with a 6 person volunteer crew and gear to maintain and upgrade approximately 10 km of the most remote part of the Upper Goat River Trail. Other parts of the trail will also require clearing and the requested RDIFFG funding will help to cover those expenses. This trail maintenance will consist of cutting and removing deadfall, brushing, maintaining trail markers, purchasing bear proof cabinets and upgrading campsites.	
Other Revenue Towards Project/Purchase:	
What other revenue/in-kind works is available to be put towards this project/purchase?	
We have \$6,000 of in-kind revenue by volunteers working on the Goat River Trail, donation of a bear proof bear cabinet and a \$10,000 donation.
